A large orange robotic arm is the central focus of the image, extending from the top left towards the center. The background is a dimly lit laboratory or workshop with various pieces of equipment and a poster on the wall. The poster has the title 'Robotic Operation' and some diagrams. The overall lighting is dramatic, with strong highlights on the robot's joints and deep shadows elsewhere.

Why Choose TMU?

Whether you have a clear vision for your future or you're still figuring it out, Toronto Metropolitan University is the place for you. In Toronto's downtown core, you'll find unparalleled opportunities to learn, work and play on every block. Here, you'll be immersed in the vibrancy and diversity that can only be found at Canada's most urban university.

For 75 years, students just like you have chosen TMU, gained real-world experience and then gone on to change the world.

Now, it's your turn.

Life in the Big City

University life is different in the heart of Canada's most dynamic city. From our compact, walkable campus in the centre of downtown Toronto, you'll get to experience diverse neighbourhoods, world-renowned festivals, popular sports teams, a celebrated food scene and so much more.

12

Expand Your Comfort Zone

Where do scientists, creatives, lawyers, engineers, entrepreneurs and industry leaders come together to build the impossible? Zone Learning — the world's leading university-based incubator network. Here, you'll make real-world connections, learn how to turn ideas into innovations, discover skills you didn't know you had and maybe even launch a startup of your own.

Learn more at torontomu.ca/zone-learning.

A woman with long dark hair, wearing a tan short-sleeved shirt and dark pants, is looking at a smartphone. She is standing in a clothing store or workshop, with several mannequins wearing denim jackets with floral patterns. The background shows a modern interior with exposed ceiling pipes and track lighting.

Find Your People — and Your Home

There's a reason we were ranked #1 for student services in Ontario. And from the moment you arrive, you'll get to experience it for yourself. Here, you'll join our diverse and inclusive community, build lifelong friendships and discover new interests and passions. While you're at it, you can access personal, academic and professional support whenever you need it and even find a place to call home right on campus.

Professional Communication BA (Hons)	Low 70s	Grade 12U English (min. 70%)
Professional Music BFA (Hons)	Low 80s	Grade 12U English (min. 70%) ♦ Demo, references, resumé, written statement
Sport Media BA	High 80s	Grade 12U English (ENG4U/EAE4U required) (min. 70%)

Out-of-Province & Transfer Students

OUT-OF-PROVINCE SECONDARY STUDENTS

If you'll be joining us from a province or territory outside of Ontario, or a country other than Canada, you'll need to show evidence that your education is equivalent to the Ontario Secondary School Diploma (OSSD) with six Grade 12 U or M courses. We'll consider all Grade 11 final marks and Grade 12 interim/final marks in our assessment (where applicable).

Canadian Secondary Schools

For a full list of prerequisites and equivalencies for Canadian secondary school systems, please visit torontomu.ca/admissions/undergraduate/requirements/canadian.

International Secondary Schools

For more detailed information about key international systems of study including American School System/Advanced Placement, British-Patterned Education (GCE), Caribbean (CAPE), China, French-Patterned/Baccalauréat, International Baccalaureate (IB), India (CBSE/CICSE), Türkiye and others, please visit torontomu.ca/admissions/undergraduate/requirements/international.

TRANSFER STUDENTS

Post-Secondary Transfer Students

If you've completed some post-secondary education, you may be eligible to apply your course credits towards your TMU degree. We also offer tailored degree completion pathways with upper-year entry points in many disciplines. To learn more about transfer options, visit torontomu.ca/admissions/undergraduate/requirements/transfer-student.

Advanced Secondary Transfer Credits

The following advanced secondary courses may be considered for transfer credits: A Levels (GCE), Advanced Placement (AP College Board), Caribbean Advanced Placement Exam (CAPE), French-Patterned/Baccalauréat, International Baccalaureate (IB) and CEGEP. Conditions and limitations apply to transfer credits. For more information, visit torontomu.ca/transfer-credits.

International Students

International students are a vibrant part of the diverse and inclusive TMU community. With more than 4,000 international students from more than 140 countries, TMU has the experience and the resources to support our international students.

Additional information about applying to TMU for international students can be found at torontomu.ca/international/admissions and a dedicated team of international staff is ready to answer your questions at international@torontomu.ca. Email us for a direct response from our team, or schedule a one-on-one virtual meeting with the dedicated international recruitment officers for your region to get answers to all your questions.

ENGLISH LANGUAGE PROFICIENCY

If you're required to provide proof of English language proficiency, see the chart below.

Visit torontomu.ca/admissions/undergraduate/requirements/english-language for full details.

	IELTS	TOEFL	DUOLINGO	CAEL	PTE	CAMBRIDGE ASSESSMENT ENGLISH
All Engineering and Science programs except Computer Science and Architectural Science	6.5	83+ iBT	120	60	60	180 and above on C1 Advanced and C2 Proficiency
All other TMU programs including Computer Science and Architectural Science	6.5	92+ iBT		70		

TMU ENGLISH LANGUAGE INSTITUTE (ELI)

If you're academically qualified for TMU, but need to improve your English, ELI can help. The intensive 8-week English Boost program helps you to meet our English proficiency requirements just before you start your TMU undergraduate studies. The ESL Foundation Programs offer one- or two-term (four- or eight-month) options if you need more help (depending on your placement score) and you can also complete up to three courses that count towards your degree. Learn more at torontomu.ca/english-language-institute.

JANUARY ADMISSION

A September start may not be possible for some international students. Select TMU programs offer winter admission with a January start to international students. For more information, visit torontomu.ca/international/admissions/how-to-apply/january-start.

TORONTO METROPOLITAN UNIVERSITY INTERNATIONAL COLLEGE (TMUIC)

Located on campus in downtown Toronto, TMUIC offers pathways into undergraduate programs at TMU for international students who need support to meet TMU academic requirements. TMUIC offers multiple start-term options, with the ability to progress into university-level programs in Arts, Business Management, Engineering, International Economics and Finance, Creative Industries and Professional Communication. UTP Stage II courses prepare students for entry into second-year studies at TMU. Learn more at torontomuic.ca.

Apply to TMU

Before you apply, check the admission requirements for your chosen program(s) on the TMU website (torontomu.ca/admissions/undergraduate/requirements) and make sure you have taken (or plan to take) the needed courses to satisfy these requirements. Some programs require more competitive (higher) admission averages. Generally, you need an overall average of 70% in six Grade 12 U/M courses (or their equivalent) and all programs require a Grade 12 English course (or equivalent).

Step 1: Submit Your Application

When you're ready to apply, visit the Ontario Universities' Application Centre (OUAC) website at ouac.on.ca. If you're not studying full time in an Ontario secondary school, you can check torontomu.ca/admissions/undergraduate/apply for other available application methods.

Step 2: Submit/Upload Required Documents

We'll acknowledge your application via email, then you can activate your TMU Online Identity and get access to the ChooseTMU Applicant Portal. This is where you can upload supporting documents, non-academic requirements and other information.

Note: Current Ontario secondary school students' grades are submitted by their guidance counsellors directly to the OUAC.

Step 3: Apply for Scholarships & Awards

Once you have access to the ChooseTMU Applicant Portal, you can also login to AwardSpring (torontomu.awardspring.ca) to apply for scholarships and awards. Many scholarships have application deadlines.

Step 4: Check Your Status, Watch Your Email

Login to your ChooseTMU Applicant Portal to check the status of your application and to view official documents (such as your Offer of Admission). When communications from us remain unread, we'll send you an email reminder.

Important Date for Fall 2024 Admission

February 1, 2024 Equal Consideration Deadline: Complete applications received by this date will receive equal consideration for fall 2024 entry. Non-academic requirements are also due February 1 or within 10 days of the application, whichever is later (see individual program web pages for more details).

FAQs

When will I receive an Offer of Admission?

Most programs make offers on a rolling basis. Generally, early offers are based on very strong Grade 11 and/or first-semester Grade 12 academics. Grades-plus programs with non-academic requirements may make offers later depending on evaluation of the various elements (auditions, portfolios, etc.).

What does it mean to be on a wait list?

Some popular programs receive many more applications than available spaces. If you applied by February 1, you'll be notified by late May if you've been placed on a wait list. If you're placed on a wait list, you may be contacted at any time up to the beginning of classes regarding an offer, subject to space availability.

Paying For Your Education

SCHOLARSHIPS & AWARDS

We have many scholarships and awards available for you and we strongly encourage you to apply. For details and deadlines, check out torontomu.ca/admissions/scholarships-awards.

Guaranteed Renewable Scholarships

Depending on your final admission average, you may automatically qualify to receive a guaranteed and renewable entrance scholarship.

\$750 PER YEAR UP TO \$3,000 TOTAL

86–89.99% final entry average

\$1,500 PER YEAR UP TO \$6,000 TOTAL

90–94.99% final entry average

\$3,000 PER YEAR UP TO \$12,000 TOTAL

95%+ final entry average

Application-Based Scholarships

TMU also has many application-based scholarships and awards that recognize leadership, diversity, financial need and other factors. Once you have applied to TMU, you can log in to AwardSpring to apply for most of these scholarships at torontomu.awardspring.ca.

President's Entrance Scholarship

\$10,000 PER YEAR UP TO \$40,000 TOTAL

(plus guaranteed residence room)

Terence Grier
